

Discussions @ meeting on Jan 11 2014

Green Space - can we sell it to pay for extra road maintenance?

We have \$28,000 to spend on Road Maintenance - this was before the last month of horrible snow so it is less.

Bill Browne volunteered to call about gravel in the Spring to get 3 estimates. Could discuss crushed black top amongst us but Bill deals with gravel.

Will set up an annual meeting 3 months in advance so that we can use the Township hall and give everyone ample opportunity to come and have your voices heard. When we vote we go by the people at the meeting NOT the people that don't come. If you want your vote to count you MUST be there.

The new board will meet monthly in the beginning at a board members home. Meetings are the first Saturday of every month at 1pm. Eventually we will meet less as we see fit. If you have something you would like us to discuss please call one of the board members. Make sure to let us know your name, phone number, and where you live.

On our first agenda we plan to discuss topic brought up by people whom attended the meeting in January.

- Fun things to do as a community in the summer

- Moore road and the condition of it

- mailboxes - it is the HOMEOWNERS responsibility to keep the mailboxes clear and the snow down so that Janet doesn't have to get out of her car to deliver the mail. They will STOP delivering if this isn't kept up AND will return your mail to the sender without holding it.

- get a copy of and review old bylaws and possibly adopt new ones to deal with changing times.

- possible neighborhood watch

Speed Limit signs - IF your road does not have a speed limit sign on it PLEASE contact a board member - there should be a 15 MPH speed limit sign on All of the roads - please report any that have trees hanging over and blocking them.
